Explore, Experience, Discover

Summer is about Experiencing, Discovering and Exploring the Great Outdoors!

The Parks and Recreation Department is excited to present the 2012 Camp brochure. New this summer is our new scheduling opportunities for a great camp experience for your child to make the best time of the year even better. Families can now explore a series of two week options in most of our camps as well as the traditional full six week option. We truly feel the changes will provide you with more clarity at the same time be very accommodating to you and your family.

We hope that by providing a variety of options your family will have the benefits of a fun-filled camp experience as well as the opportunity to meet your other summer commitments. If you plan to be here for the month of August, please look for camp prospects with our August camp icon. If your child's favorite camp is missing, please contact the Recreation Center and we will help you find the perfect camp to meet your needs.

We are looking forward to a sun-drenched summer filled with fun and fabulous recreational activities! Lake Forest is the best place to experience great events, discover new friendships, explore the great outdoors, and achieve your ultimate summer outdoors!

BECAUSE WHY? CAMP

Does this sound like your child? If your child is always wanting to know what, where, when, why and how or asking how things work, the 'Because Why?' Camp is a good fit for your child! Based on the same Reggio-inspired philosophy used at Kinderhaven Preschool Academy, the campers will delve into all the ins and outs of topics that interest them! The campers will set the agenda for in depth exploration of their areas of interest. These topics could include ocean animals, how to mix paint colors, construction, forest exploring, or any other area of interest the children decide to pursue. Unlike traditional summer camps, we will continue to explore and investigate topics until the campers satiate their curiosity! Your child will leave this camp with a creative, inquisitive spirit and a new approach to learning! For more information, contact Dr. Penny Robbins, Kinderhaven Preschool Academy Director, at 847-810-3947.

AUGUST

PRESCHOOL PROGRAM NOTES

The Recreation Department provides a well-rounded class experience for each child. We do our best to meet the individual needs of each child in a relaxed environment. Children must be the correct age by the first day of class. Our classes promote socialization, physical and mental growth, and can help ease the transition to preschool. Staff will not change diapers. If your child is in a drop-off class, you will need to be available if a diaper needs to be changed. An adult must accompany each child enrolled in a parent/child program. Families with twins and triplets must bring additional caregivers.

Sports Camps

ACTIVE ATHLETES

Let your young one discover the athlete within! Active Athletes is designed for those getting ready to join their peers in organized sports of every type this next school year. Each week will focus on a different sport's basic rules, practices and drills in a comfortable, fun setting. Teamwork and sportsmanship will be common themes throughout the entire summer. In addition to learning a whole new way to play, your child will also have time for water games, free play and snacks each week. For a more enjoyable experience children will be divided into two camp groups based on age; 4-5 years and 6-8 years, to provide appropriate instruction and safety. For more information please contact Joe Mobile, Program Manager, at 847-810-3941.

BILL WENNINGTON BASKETBALL CAMP

Bill Wennington, former Chicago Bull, will provide instruction to 3rd - 6th graders in the fundamentals of basketball with emphasis on the skills of shooting, ball handling, passing and footwork. Discipline and skill development will be stressed; therefore players must be prepared for a great deal of drill work. The camp will spend the mornings teaching the proper fundamentals to each child while improving their game, while the afternoon will be spent focusing on game play. The day will be split with a lunch break so each player should bring their own peanut free sack lunch and drink. Proper clothing is important for the workout - gym shorts, T-shirt, sneakers & 2 pairs of socks. For more information contact Anthony Anaszewicz, Program Manager at 847-810-3945.

TWIGS ART CAMP

Campers will spend seven weeks improving their skills in art fields they have worked in before and discover new ones. Twigs will cover all of the traditional mediums like painting, drawing, printmaking, and sculpture while using the natural setting at the Grove Cultural Campus as the subject. TWIGS will take full advantage of the ceramics facility at Stirling Hall by engaging in multiple clay projects. These young artists will pickup invaluable information about art and the skills to create their own art. NOT JUST ART! TWIGS campers will take breaks from their art projects to go to the beach. Campers will also have their choice of performance arts to participate in. For more information contact Joe Mobile, Program Manager, at 847-810-3941.

Nature Camps

MCCORMICK DAY CAMP

Regarded as one of North Shore's finest day camps, and one of the longest running, McCormick Day Camp is located at the McCormick Nature Preserve featuring a rare glacial ravine, large campfire circle, archery range, wood working and arts and crafts area, sports and games, nature study areas, two miles of scenic trails and a beach on Lake Michigan. We will be combining the 'McMunchkin Day Camp' for 4 year olds with this camp and will engage in age-appropriate activities as in past years. There will be 'beach days' at the Forest Park Beach for supervised beach activities in addition to swimming at LFHS. Field trips are on Fridays. We'll have special events, theme days and parent's night including the highly popular third grade overnight campout. Groups will be divided by age as we do each year. Bussing to and from camp is provided within the City of Lake Forest. Campers from outside of Lake Forest must be dropped off at camp or at an existing bus stop along our route. All campers registered after June 1 will be assigned to an existing stop.

THE WILDLIFE CAMP

Formerly 'Nature Detectives Camp' and 'Camp RAMBIE', this camp follows the same format as our traditional camps: 4.5-6 year olds on T/TH and 7-9 year olds on M/W. This camp is extended by 30 minutes to give us more time in the field. Each week we will be taking expeditions to the Middlefork Savanna and the land nearby as we learn about the relationships between wildlife and their habitat. We will have daily interactions with our resident animals at the WDC. A variety of age appropriate art and craft activities will be included too.

COUNSELOR IN TRAINING

This is a special program for Lake Forest students who are currently enrolled in grades 7th through 10th or are 13 to 15 years old. The C.I.T.s are volunteer workers for the Recreation Department's summer programs. The purpose of this program is to help the older youth of Lake Forest develop leadership skills through a summer camp work experience. The many skills learned by the C.I.T. will aid the individual in obtaining future paying job opportunities. Most summer programs will meet June 18 - August 10. C.I.T.s are required to attend a new intensive training session during the week of June 11. Placement in the camps will vary. A packet of more information including a C.I.T. application will be available by March 1st. Applications must be submitted to the Recreation Dept. by **April 9, 2012**. For more information contact, Joe Mobile, Program Manager at 847-810-3941.

From June 2, 2012, until before the 1st meeting of the second week of the camp, a credit equal to 80% of the camp fee will be placed on your account.

No refunds will be given after the 1st meeting of the second week, except in the case of documented medical reasons or moving out of the area.

All other Camps and Programs that do not offer a deposit option. For withdrawal requests received in writing no later than 7 days prior to the beginning of the class, a credit equal to 90% of the fee paid for the class will be placed on your account.

From 6 days prior to the start of class until before the 3rd meeting of the class, a credit equal to 80% of the class fee will be placed on your account.

No refunds will be given after the 3rd meeting except in the case of documented medical reasons or moving out of the area.

GRADE INFORMATION

The grade listed for each camp refers to the grade campers will have **completed** at the end of this school year. Please refer to the specific age/grade requirement as detailed for each individual camp. If your child is currently in Kindergarten or 1st grade, please contact the main office at (847) 234-6700 to be sure we have a grade indicated in our files.

CAMP STAFF AND TRAINING

A qualified adult director supervises each camp. Counselors at each camp are mature and enthusiastic college and high school students. All camp staff complete an extensive training program that includes supervision and safety techniques, activity development and first aid.

CHANGE IN CAMP LOCATIONS

Though we do our best to secure camp locations in advance, occasionally we must relocate our camp due to last minute construction needs from the public schools or insufficient enrollment numbers necessitating consolidation of sections. If this should occur, you will always be given the choice of a full refund or a transfer to an alternate available camp.

EMPLOYMENT OPPORTUNITIES

Be challenged – Share a skill or interest! Do you enjoy working with kids? Are you looking for part-time summer work? If so, stop by the Recreation Department Office and fill out an application. Please contact Sally Swarthout, Superintendent of Recreation, at 810-3942 if you are interested.

INFORMATION REQUESTS

Information regarding campers enrolled in our programs is confidential. For your family's safety, staff is not allowed to release phone numbers and addresses of other campers.

PEANUT POLICY

We are requesting your cooperation in partnering with us to ensure a safe environment for children with nut allergies. Lake Forest Parks & Recreation Department has identified these operational practices for everyone to follow:

- Parents with children that have a nut allergy are requested to list this information on their registration form in the medical conditions section and notify the staff as soon as possible.
- When we are notified of a nut allergy and we know the severity of the allergy, we will notify families registered in that particular program. If the allergy is life-threatening, the program environment will automatically become a nut free zone.
- For programs designated nut free, we will ask all families to cooperate by packing lunches and supplying snacks that do not contain any nut or nut by-products. Unfortunately, due to ever-changing processing practices and product ingredients, it is not feasible for us to provide you with a comprehensive list of what items to avoid.
- This is where we need your assistance. We ask that parents take a few minutes when preparing a lunch or snack to review the list of ingredients on each item prior to packing it. We recognize that this may be an inconvenience for your child's food choices, but the safety of another child's life must take precedence.
- Staff will do their best to monitor foods that may pose a potential harm to the allergic child. However, since many items may be without their original packaging and since we have so many children in each program, it is not feasible to inspect every food item from every child to ensure compliance.

Thank you in advance for your cooperation! Should you have questions with this practice, do not hesitate to give us a call.

PHOTO POLICY

Photos are periodically taken of participants in our programs. Please be advised that these photos are for the Parks & Recreation Department's use only and may be used in future brochures, flyers or public relations. If you do not want your photo publicized, please contact the Parks & Recreation Department at 234-6700.

FINANCIAL ASSISTANCE

The Friends of Lake Forest Park & Recreation recognizes that there are community residents who may suffer from economic setbacks that might preclude their participation in Recreation programs. The Friends Foundation has graciously set up an annual fund to help those in need. If such a need exists, please contact Superintendent of Recreation, Sally Swarthout, at 847-810-3942 or pick up a scholarship application from the front office. **A request for a scholarship must be made prior to and approved before signing up.**
