

**MULTIMODAL TRANSPORTATION & INFRASTRUCTURE**

Strategic Priorities	Description	Status	Timeline	Responsible Parties	Notes/Commentary
<b>1. Continue to promote strong interconnections and coordination between transportation and land development projects.</b>					
<b>a. Explore opportunities to enhance community development projects (i.e. Residential and Non-Residential) that achieve greater “urban-suburban” feel through connections to multi-modal transportation routes.</b>					
<i>No Projects Identified</i>					
<b>b. Seek public infrastructure projects that promote greater mobility and enhance safety.</b>					
Telegraph Train Station: Bus Lane Improvement	Relocated and Constructed a new bus lane.	★	FY18	PW	
<b>c. Identify opportunities to enhance the Lakefront area as an additional gateway into the community.</b>					
South Beach Access Road	Assessed structural failure/damage in FY16 and designed, bid, and completed repairs to the South Beach Access Road (Start - Labor Day /Completion ~ Early 2018).	★	FY18	PW	
<b>2. Promote safety and expansion of inter-connectedness of non-vehicular roadways on local and regional level.</b>					
<b>a. Identify opportunities to expand and connect non-vehicular pathways.</b>					
Middlefork Savanna Trail Bridge Project	Completed design, bid out appropriate project improvements and partnered with Lake County Forest Preserve to complete project, allowing access over the Metra tracks.	★	FY18	PW, PFR, and Lake County Forest Preserve	
<b>b. Investigate non-vehicular pathway safety improvements (i.e. streetlights, under/overpasses, safety markers for trails, etc.).</b>					
Electric Street Light LED Upgrades	Street light upgrades utilizing L.E.D. technology completed in FY18.	★	FY18	PW	
Electric Street Light Control Cabinet Upgrades	Begin city-wide upgrade of control cabinets 95, in FY18.	★	FY28	PW	
Everett Park Walking Path Improvements	Resurface walking path for safety and maintenance purposes.	★	FY18	PFR, PW	
Everett Park Bike Path Replacement	Bid and oversee construction.	★	FY18	PW, PFR	
Ferry Hall Bridge Repairs	Step III: Complete the Ferry Hall Bridge repairs.	★	FY18	PW	
Gas Lamp Conversion to LED	Conduct in-house Cost-Benefit Analysis to convert to LED Tech.	★	FY18	PW	
Gas Lamp Conversion to LED	Begin installation of specialized L.E.D. lamp technology in FY2019, to convert current gas street lamp system by FY2029.	☆	FY29	PW	
Telegraph Rd Station Underpass Project	Provide engineering and consultant support in for design of a Pedestrian Underpass at the Telegraph Road Train Station.	★	FY20	OCM, PW, CD, Metra, Amtrak, RTA, IDOT, WISDOT	
Waukegan/Everett Intersection Improvement Project	Design phase scheduled for completion in Fiscal Year 2019, and construction activity completed by Fiscal Year 2020.	★	FY20	PW	
<b>c. Enhance the pedestrian/bike trail and sidewalk inspection and maintenance program.</b>					
<i>No Projects Identified</i>					
<b>d. Seek partnership opportunities with the Lake County Forest Preserve to ensure best practices are met in design, construction method and materials.</b>					
ELAWA Farm Parking Project	Completed design and construction of the ELAWA parking lot in partnership with the Lake County Forest Preserve.	★	FY18	PW, PFR, and Lake County Forest Preserve	

**MULTIMODAL TRANSPORTATION & INFRASTRUCTURE**

Strategic Priorities	Description	Status	Timeline	Responsible Parties	Notes/Commentary
<b>3. Pursue and advance public transportation service opportunities for residents, organizations, businesses and institutions.</b>					
<b>a. Collaborate with PACE, State, and County to identify and promote public transit opportunities to community stakeholders.</b>					
Lake County Paratransit Market Study	Participate as a community stakeholder in the Lake County Coordinated Transportation Services Committee Paratransit Market Study.	★	FY20	OCM, PFR, Lake County, and Townships	
Municipal Pilot Commuter Transit Program	Facilitate the implementation of a pilot program in conjunction with NW-LF Hospital, Lake Forest College and Lake Forest Place.	★	TBD	OCM, NW-LFH, LFC, Lake Forest Place	
<b>b. Advocate initiatives that seek to improve and expand commuter rail services (e.g. Metra, Amtrak, etc.) in Lake Forest, in particular, express trains to Chicago.</b>					
<i>No Projects Identified</i>					
<b>c. Identify and leverage partnerships or grants to support public transportation services and capital projects.</b>					
East Side Train Station Renovation Project	Pursue interior renovations of restroom facilities and main lobby area, to enhance commuter comfort through partnership with the Lake Forest Preservation Foundation.	★	FY19	OCM, PW, Metra, UP, LFPP	
<b>d. Implement a bicycle sharing program that links commuter rail facilities to commercial corridors, parks and recreation locations, and institutions.</b>					
<i>No Projects Identified</i>
